MEASUREMENTS

Measure: Broadway Cheerleading/Albion Knitting Mills is proud to offer you two different options for ordering your uniform size.

- Select your size from our standard sizing charts. If your measurements vary slightly from the chart simply select size closest to your measurements. If you are between sizes order the larger of the two sizes.
- Custom sizing is available for your personal measurements. Custom fit garments are cut for you only, by hand cutting one at a time. Garments are made to your chest, waist, hips, skirt length, front length, sleeve length, inseam, shoulder width, back length, dress length and girth measurements. Custom sizing available on the following items for an additional charge: \$25.00 for Long Sleeve Tops & Dresses, \$20.00 for Vests, \$10.00 for Bodyliners, \$6.00 for Skirts, Pant Inseam, or Short Inseam changes. Simply have yourself measured and list next to your name your measurements along with your height and weight. If custom sizing is used, all members on a squad must use it for the same design.

Measuring: Have the same person measure all squad members for consistency. Please wear the same type of undergarments you plan on wearing with your uniform during measuring. Do not take your own measurements. Measure carefully, as we cannot be responsible for your sizing or garments if you are not measured properly. Measure with a cloth measuring tape, snug, not tight.
