The BC Rewards Program is composed of 7 levels. Each discount level corresponds to the amount of your purchase. Your discount level may increase throughout the 2017 calendar year with future purchases.

To be a part of the BC Rewards Program, all you have to do is meet the minimum purchase requirement and the corresponding discount will be applied to your order.

Your pre-determined discount level remains with you throughout the 2017 calendar year.

Return to Broadway Cheerleading and your second purchase total will be added to your first purchase total and possibly increase you to a higher BC Rewards level and higher discount on your second order.

This allows you to advance your discount level with later purchases during the 2017 calendar year.
