Color

We strive to assure that all fabric colors match as closely as possible. However, shading differences may occur under different lighting. Stretch Flex (Nylon/Spandex) fabric will match as close as possible to our Athletic & All Star colors, but we do not guarantee exact color matching between fabrications (ie. Nylon/Spandex to Polyester, etc.). Please call customer service for free color swatches (800) 749-9694. All orders must have customer approval for design and colors before production is started.
